DETALII COMPANIE

Wood Class Design SRL este o companie românească specializată în producția și comercializarea de elemente decorative premium pentru interior, cu accent pe sustenabilitate, inovație și design contemporan. Cu sediul în România, Wood Class Design s-a impus pe piața locală ca un furnizor de top în domeniul plintelor, cornișelor, riflajelor decorative și al accesoriilor pentru amenajări interioare.

Compania este recunoscută pentru utilizarea materialelor polimerice de înaltă calitate, durabile și rezistente folosite în producție, reprezentând o alternativă modernă la produsele tradiționale din MDF sau lemn. Toate produsele sunt fabricate în România, contribuind la dezvoltarea economiei locale și la promovarea designului autohton.
